REMARKS \_\_\_\_\_

**RETURN TO CIA LIBRARY**

25X1

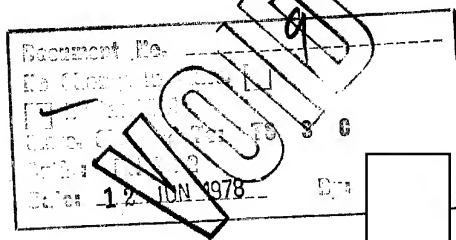

1. A large airfield was observed south of the ZAMOSC (S 51/R 52) -- ZAWADA (S 51/R 42) road. Numerous fighters of Soviet make and bombers of Polish make were stationed there.
2. According to fellow travellers, the field was being expanded.

25X1

[REDACTED] Comment:

As this is the first information on the field its accuracy cannot be rated. The field is possibly identical to the MOCKU airfield constructed by the Germans before the beginning of the war against the Soviet Union.

This document is hereby regraded to CONFIDENTIAL in accordance with the letter of 16 October 1978 from the Director of Central Intelligence to the Archivist of the United States.
